

LITHOS

design Paolo Pampanoni

Per riscoprire la purezza della materia, per posare l'accento sulla bellezza delle superfici, per accorgersi che non c'è bisogno del superfluo.

To rediscover the purity of material, to place the accent on the beauty of the surfaces, to understand that there is no need for superfluous things.

La struttura è espressione della costruzione.
The frame is the expression of building.

É la realtà delle cose che detta la verità contingente.
The reality of objects suggests the truth of reality.

Ecco che anche la comodità non diventa mai banale perché per noi è un valore, quindi necessaria.
A comfortable place will never be a common place for us, because comfort itself is a value, therefore it is absolutely necessary.

Partiamo dall'ordine: ciascuna cosa ha una collocazione precisa e merita un posto suo, secondo la sua natura. Ciascuno di noi è parte di quest'ordine, ecco perché riusciamo a pensare solo a idee dalle implicazioni armoniose.

Order comes first: each single thing has a specific role and deserves a proper place according to its nature. Each of us is a part of this order, this is the reason why we can only conceive ideas that have harmonious consequences.
